### **Parish Council Report – March 2009**

The last meeting of the Parish Council was held on Thursday 13 March 2009. Amongst the matters discussed were:

1. **Rosedale First Responder Scheme** – Unfortunately still no progress from either the Yorkshire Ambulance Service or on improving the local mobile coverage. We are continuing to push for a successful conclusion to this project.
2. **Recycling** – we have had a further letter on this subject, this time from the Chief Executive of Ryedale District Council. This letter however gave little hope that improvements would be in this area in the foreseeable future.
3. **Rosedale Abbey public toilets** – we have had nothing in writing from Ryedale District Council yet confirming the work is planned for this year. We are asking District Councillor Janet Frank to look into this for us.
4. **County and District Councillors** – as mentioned in the last report the Parish Council has invited both our District Councillor Janet Frank and our County Councillor Val Arnold to the Parish Council meeting on 9 April (7pm at the Updale Reading Room). If anyone has any questions they would like put to her please let the Clerk know well in advance.
5. **Roadside salt piles** –this and several other matters related to the poor quality of roads in the parish will be put to County Councillor Val Arnold in April.
6. **School yard access** – there is a debate going on between the school and the Church regarding access to the school yard between the two buildings. It is hoped eventually that this will be resolved but in the interim please do not use this route as a cut through while the school is in session and ask any visitors or guests you may have not to use it either.

**The next meeting of the Parish Council will be held on Thursday 9 April 2009 at 7pm in the Updale Reading Room.** If you have any points you would like to raise please contact one of the Councillors or the Clerk who will all be happy to help.
