06504 Clerk's report

The Council noted the Clerk's report which said that:

- Bill Shaw of the National Park Authority would try to attend the August meeting, and was happy for the Caretaker to start strimming with thought to avoiding wild flowers;

- there had not been time for the public to respond to the newsletter piece on strimming, and any responses received would be circulated in time for the August meeting;

- Melanie Farnham at the Highways Department had confirmed that the speed limit in Rosedale outside of the village was 60mph, and had arranged for a speed survey to be carried out so that the police could consider if a speed restriction was appropriate.

06505 Roadside verge management

The Clerk said that since writing the report he had received about a dozen responses from the public, and would circulate them in time for the next meeting. The Vice Chair said that the Caretaker had now started strimming with caution.

[The Chair arrived at 7:45pm. The Vice Chair continued to Chair the meeting.]

06506 Ryedale District Council Parish Liaison meeting 29 May 2013

Councillor Scarth reported back from this meeting, which she had attended with the Chair and Councillor Storey. She said that there had been a report from the Police and Crime Commissioner, Julia Mulligan; there had been a presentation by Ian Marr on the rollout of superfast broadband, which had caused complaints that the map of which areas would receive the service was not made available; that information on the Local Development Framework was available on the website; and that Richard Marr had provided no new answers on the subject of the state of rural roads.

Resolved: that the details on accidents on Chimney Bank, being kept by the White Horse, and other evidence from the Our Rosedale blog, should be collated for the next meeting.

06507 Update on benches

Resolved: that a detailed list of all benches in the dale, along with any information on their owners, be compiled.

It was suggested that some Councillors could look into benches in their area and compile any local knowledge. Councillor Storey offered to look into Thorgill, Councillor Richard Dent to look into Northdale, and Councillor Jones to do the village. The Clerk said he would continue to look through the minutes for any information.

06508 Finance

As the Caretaker's timesheets were not available, it was agreed that a cheque could be written outside of the meeting. Cheques were written to Barnes Nurseries for the hanging baskets (£150) and for the Clerk's salary and expenses (£599.55) and tax (£14.20).
