The Council noted the Clerk's report which said that:

- the Council had been asked for a letter of support for the Walkers Are Welcome scheme;
- the Council had been asked if it wished to install new lighting at Hill Cottages at a cost of around £1500 per column.

The Clerk added that since writing this report he had received a message from Ryedale District Council saying that the lighting would be replaced at no cost to the Parish Council.

The Chair reported that there would be a roadshow on this subject in the Reading Room on 9 March. She also said that she was producing an information leaflet about Rosedale, which she hoped would be paid for by local businesses, although she would look into the possibility of money from the National Park Authority.

06899 Undergrounding of electricity cables
