

Rosedale East and West

Parish Council Report – October 2009

On 22 October 2009 the Parish Council held its monthly meeting and discussed several points including the following:

1. **Road safety** – the Council is now trying to get the Highways department of the County Council to help in the implementation of the speed restriction and signage proposals which were agreed on in the September meeting. No progress to report yet.
2. **Neighbourhood watch** – since the meeting at the Coach House Inn in September no one has stepped forward to coordinate this scheme. If you are interested in reinvigorating this scheme and you would like to play a key part please contact PC Marsden on 0845 6060 247 or by email at ryedalesnt@northyorkshire.pnn.police.uk and put your name forward.
3. **Rosedale First Responder Scheme** – the Yorkshire Ambulance Service are again looking at running this scheme using landline phones instead of mobiles. They tell us they have a scheme running elsewhere that uses landlines where a lack of mobile signals means they cannot be used. If this is considered practical we might be able to make progress on this worthwhile scheme.
4. **Affordable housing** – the project which is being run by the Parish Council has moved on to the next phase which is to confirm what affordable housing needs currently exist in the parish or are likely to come up in the next few years. You should all receive a survey questionnaire delivered to your home in the next few weeks which will ask you to consider if you or any member of your family have a requirement for affordable housing. Please look at the questionnaire and complete it if you think you have a need. There will be two points of contact for queries on the questionnaire, one is Colin Huby who works for Ryedale District Council and the second is our Clerk, Tony Morley. Please feel free to contact either with your questions.
5. **Village Name Signs** – the project to site two new village name signs on Chimney Bank and Heygate Bank are progressing. The Highways Department and the National Park Authority have agreed to the proposals – we are just waiting for landowner approval before work can begin. We are hopeful that most of the cost will be covered by a grant from the National Park.

The next meeting of the Parish Council will be held on Thursday 22 October 2009 at 7.00pm in the Updale Reading Room. If you have any points you would like to raise please contact one of the Councillors or the Clerk who will all be happy to help.
